# Road Map to Ethics 3.0

## 3 NJ CIE/CLE ETHICS Credits

This course will explore the ethical challenges that the Licensed Title Producer faces each day. We will examine the various Statutes and Regulations that determine the practice of Title Insurance in NJ including the Title Act and the Producer's Act. Discussing in particular the Standards of Conduct, Controlled Business and anti-kickback/rebate/inducement provisions. We will also explore the duties to the Insured and the Insurer. Through the use of Case Studies and Role Playing we will address the myriad of Ethical Challenges and decisions that present themselves daily to the Title Producer.
